RE: Award: 2024-427 Floor Cleaning Services

---

I am requesting Carpet Tech as primary for 2024-427 Floor Cleaning Services, BuyBoard 736-24 for the benefits of the company extracting water into a contained compartment in their work truck when cleaning flooring in most county buildings. In the long term this will save the county funds as it is less risk of the flooring company clogging pipes, saving potential future plumbing issues when completing flooring services.
