SUBJ: Cash Balance Increase from \$600.00 to \$1,000.00 for Security Service for Off-Duty Law Enforcement in the Tax Assessor/Collector's Office

RECEIVED
COUNTY AUDITOR
21 DEC 16 AM 11:36

The Tax Office would like to increase the balance of funds from \$600.00 to \$1,000.00 in the Plano Tax Office.

The previous balance of \$600.00 allowed for eight payments of \$75.00. However, we have recently increased the security payments to \$100.00 and then again to \$125.00, which allows for four payments with current balance.

The Tax Office is requesting the increase to \$1,000.00 which would account for eight payments of \$125.00 each. This allows for the balance to be replenished through Accounts Payable and for the Tax Office to complete the payment process.

Sincerely,

Kenneth L. Maun
Tax Assessor Collector

Re: Tax Office Cash Balance Increase Request

I am recommending the increase to the Tax Office cash balance for the security service of off-duty law enforcement from \$600.00 to \$1000.00 due to the increase of pay to law enforcement.
