

INTERLOCAL COOPERATION AGREEMENT

This Agreement is made by and entered into between Collin County, Texas (hereinafter referred to as "Collin") and Red River County, Texas (hereinafter referred to as "Red River") on the date indicated below.

WHEREAS, Collin may need emergency housing and care of certain inmates incarcerated or to be incarcerated in its jail and as a safety precaution, if all available beds are filled; and

WHEREAS, Red River currently has jail capacity and the ability to provide housing and care for such inmates; and

WHEREAS, both parties are political subdivisions of the State of Texas authorized to enter into an Interlocal Cooperative Agreement for such detention services pursuant to Chapter 791 of the Texas Government Code; and

WHEREAS, the parties desire to enter into an agreement pursuant to which Red River will provide housing and care for certain inmates incarcerated or to be incarcerated in Collin's jail.

NOW THEREFORE, in consideration of the promises, covenants, and agreements contained herein, the parties hereto mutually agree as follows:

ARTICLE 1: DETENTION SERVICES

For the purposes and consideration herein stated and contemplated, Red River shall provide the following necessary and appropriate services for Collin to the maximum extent authorized by this agreement without regard to race, religion, color, age, sex, and national origin, to wit:

1.1 FACILITIES

Red River warrants that the facilities provided for the detention of Collin's prisoners meet the requirements of the Texas Commission of Jail Standards.

1.2 HOUSING AND CARE OF INMATES

Red River agrees to accept and provide for the secure custody, care and safekeeping of inmates of Collin in accordance with the state and local law, including the minimum standards promulgated by the Texas Commission of Jail Standards. Red River shall provide housing, care, meals, and routine medical services for such inmates on the same basis as it provides for its own inmates confined in its own jail.

1.3 MEDICAL SERVICES

The per-day rate under this agreement covers only routine services such as on-site sick call (when provided by on-site staff) and non-prescription, over the counter/non-legend and routine drugs and medical supplies.

The per-day rate does not cover medical/health care services provided outside of Red River facility or by anyone other than facility staff, prescription drugs, and treatments or surgical and dental care and does not include the costs associated with any hospitalization of an inmate. Collin shall pay Red River an amount equal to the amount Red River is required to expend for medical services other than those routine medical services provided for by the per-day rate.

When it becomes necessary for an inmate to be hospitalized, Red River shall contact Collin through its Sheriff or designated representative as soon as possible to inform Collin of the fact that the inmate has been hospitalized and the nature of the illness or injury that has required the hospitalization.

Red River will arrange for the hospital or health care provider to bill the costs of the hospitalization and/or medical care directly to Collin, rather than Red River paying the costs and invoicing Collin for the cost of the hospitalization.

If the hospital or health care provider refuses to bill Collin directly, Collin shall reimburse Red River such costs within thirty business days of receipt of an invoice from Rockwall. The invoice may be delivered to Collin personally, by facsimile, by mail or by other reliable courier.

1.4 MEDICAL INFORMATION

Collin shall provide Red River with medical information for all inmates sought to be transferred to Red River facility under this agreement, including information regarding any special medication, diet or exercise regimen applicable to each inmate.

1.5 TRANSPORTATION AND OFF SITE SECURITY

Collin is solely responsible for the transportation of the inmate to and from Red River facility. Red River agrees to provide non-ambulance transportation for inmates to and from local (within 50 miles) off-site medical facilities as part of the services covered by the per-day rate. Ambulance transportation (including emergency flight, etc.) is not covered by the per-day rate and will be billed along with the regular monthly billing submitted to Collin by Red River.

Red River will provide stationary guard services as requested or required by the circumstances or by law for an inmate admitted or committed to an off-site medical facility. Collin shall compensate Red River for the actual cost of said guard services to Red River, which shall be billed by Red River along with the regular monthly billing for detention services.

Collin shall be responsible for the transportation of its inmates to and from all court proceedings and hearings not arising out of incidents in Red River County.

Collin is responsible for the transportation of its inmates from Red River facility to the Texas Department of Criminal Justice, Institutional Division.

1.6 SPECIAL PROGRAMS

The per-day rate set out in this agreement covers basic custodial care and supervision and does not include any special educational, vocational or other programs unless provided to similar inmates in Red River County. The parties may agree by written amendment to this agreement or by separate agreement for the provision thereof.

1.7 LOCATION AND OPERATION OF FACILITY

Red River shall provide the detention services described herein at the Red River County Jail in Red River County, Texas.

ARTICLE 2: FINANCIAL PROVISIONS

2.1 PER DIEM RATE

The per diem rate for detention services under this agreement is Fifty Dollars (\$50.00) per man-day. This rate covers one inmate per day.

A portion of any day shall count as a man-day under this agreement except that Collin may not be billed for two days when an inmate is admitted one evening (i.e., on or after 6:00 p.m.) and removed the following morning, (i.e., at or before 12:00 Noon). In that situation, Red River will bill for the day of arrival, but not for the day of departure.

2.2 BILLING PROCEDURE

Red River shall submit an itemized invoice for the services provided each month to Collin County.

Invoices will be submitted to the officer of Collin County hereby designated to receive the same on behalf of Collin County to-wit:

Collin County Accounts Payable
2300 Bloomdale Rd., STE 3100
McKinney, TX 75071

Collin shall make payment to Red River County in accordance with chapter 2251 of the Government Code. Collin County will remit payment to:

Red River County Sheriff
500 N. Cedar St.
Clarksville, Texas 75426

ARTICLE 3: TERM OF AGREEMENT

3.1 PRIMARY TERM

The primary term of this agreement is for a period beginning upon the date of execution by the Commissioners Court of each of the parties and end September 30, 2024.

3.2 RENEWALS

The agreement may be renewed annually by the mutual agreement of the parties.

In the event that the parties seek to renew this agreement at the end of that primary term or any renewal period, the per diem rate for detention services shall be at the rate negotiated by the parties for such renewal period.

The terms, conditions and rates with regard to any renewal period shall be as mutually agreed between the parties and as approved by the Commissioners Court of the respective parties.

3.3 TERMINATION

This agreement shall terminate at the end of the primary term or of any renewal term unless renewed pursuant to Section 3.2.

In addition, this agreement may be terminated upon 60 days written notice delivered by either party to the County offices specified herein.

This agreement will likewise terminate upon the happening of any event that renders performance hereunder by Red River impracticable or impossible, such as severe damage to or destruction of the facility or actions by governmental or judicial entities which create a legal barrier to the acceptance of any of Collin's inmates.

ARTICLE 4: ACCEPTANCE OF INMATES

4.1 COMPLIANCE WITH THE LAW

Nothing herein shall create any obligation upon Red River to house Collin's inmates where the housing of said inmates will, in the opinion of the Red River's Sheriff, raise the population of the facility above the permissible numbers of inmates allowed by law or will, in the Red River County Sheriff's opinion, create a condition of overcrowding or create conditions which endanger the life and/or welfare of jail personnel and/or inmates at the facility or result in possible violation of the constitutional rights of the inmates housed at the facility.

At any time that the Red River Sheriff determines that a condition exists at the Red River facility necessitating the removal of Collin's prisoners or any specified number thereof, Collin shall, upon notice by the Red River's Sheriff to Collin's Sheriff, remove said prisoner(s) from the facility within eight hours.

In the event such prisoner(s) are not removed by Collin, Red River may deliver up such prisoner(s) to the Sheriff or Collin County at the cost and expense of Collin.

4.2 ELIGIBILITY FOR INCARCERATION AT FACILITY

The only inmates of Collin eligible for incarceration in the Red River facility under this agreement are non-high risk inmates.

An inmate must be considered as non-high risk in accordance with State standards and under both the Jail Commission approved custody assessment system in place at Collin's jail and pursuant to the custody assessment system in place at the Red River facility before the inmate is eligible for incarceration at the Red River facility.

All inmates proposed by Collin to be transferred to the Red River facility under this Agreement must meet the eligibility requirements set forth above.

Red River reserves the right to review the inmate's classification and/or eligibility and the right to refuse to accept any inmate that it does not believe to be properly classified as a non-high risk inmate.

Furthermore, if any inmate's classification changes while incarcerated at the Red River facility, Red River reserves the right to demand that Collin remove that inmate and Collin may replace said inmate with a non-high risk inmate of Collin.

4.3 RESERVATION WITH REGARD TO ACCEPTANCE OR CONTINUED INCARCERATION OF INDIVIDUAL INMATES

Red River reserves the right for its Sheriff or his designated representative to review the background of all inmates sought to be transferred to the Red River facility and Collin shall cooperate with and provide information requested regarding the inmates by the Red River Sheriff.

Red River has the right to refuse acceptance of any prisoner of Collin.

Likewise, if any inmate's behavior, medical or psychological condition, or other circumstance of reasonable concern to the Red River Sheriff makes the inmate unacceptable for continued incarceration in the Red River facility in the opinion of the Red River Sheriff, Collin will be requested to remove said inmate from the facility and shall do so within eight hours upon the request of the Red River Sheriff.

Collin inmates may also be required to be removed from the Red River facility when their classification changes for any purpose, including long-term medical segregation.

In the event of Collin's failure to remove such inmate within eight hours, Red River may deliver up such inmate to the Sheriff of Collin County at the cost and expense of Collin.

4.4 INMATE SENTENCES

Red River shall not be in charge or responsible for the computation or processing of inmates time of confinement, including but not limited to, computation of good time awards/credits and discharge date. All such computations and record keeping shall continue to be the responsibility of Collin.

It shall be the responsibility of Collin to notify Red River of any discharge date for an inmate at least ten days before such date. Red River will release inmates of Collin only when such release is specifically requested in writing by the Sheriff of Collin. However, it is agreed that the preferred and usual course of dealing between the parties shall be for Collin to pick up and return inmates to Collin's facility shortly before their discharge date and for Collin to discharge the inmate from its own facility.

Collin accepts all responsibility for the calculations and determinations set forth above and for giving Red River notice of the same time.

Collin is responsible for all paperwork, arrangements, and transportation for inmates to be transferred to the Texas Department of Criminal Justice, Institutional Division.

4.5 LIABILITY

Red River agrees to and accepts full responsibility for the acts, negligence and/or omissions of all Red River employees and agents, its subcontractors and/or contract laborers and for those of all other persons doing work under a contract or agreement with Red River.
