Re: Tyler Jury System Upgrade

The Collin County Information Technology Department and District Clerk request Commissioners Court consideration to amend the existing Tyler Jury contract to reflect an upgrade of the current system to the latest version of the application.

The Vendor is offering the product with an early adopter discount and no implementation costs. The total year 1 obligation will be \$235,852.00. Upon approval, funding will be available from a combination of the non-departmental maintenance account and District Clerk Jury project funds:
