

FURever Shelter Grant with Puppies & Golf

1. Shelter Name: Collin County Animal Services (CCAS)

2. Mission Statement: Please provide your mission statement and a brief, high level overview of your organization's work.

Mission Statement: To protect the health and safety of Collin County citizens and animals.

Collin County Animal Services provides animal control duties and/or sheltering of lost/stray pets for over 13 cities as well as unincorporated areas of the county. Our officers respond to calls for assistance 24/7 to maintain the safety of our county. We take in over 5500 animals per year and provide vaccinations, spay/neuter surgeries, microchips, socialization and ultimately adoption or rescue for the large majority of those animals. Collin County is unique in that 100% of our spay/neuter fund is provided by donations or grants. We have 17 FT and 3 PT employees that work hard to ensure the animals are provided the best care possible and ensuring we find forever homes for as many as we can.
