Lee Moore, McKinney, expressed concerns towards the Texas voting machines. She said protection should be deployed against the many forms of threats the voting machines may encounter. Ms. Moore also said the voting systems are not in current status, which means they are illegal. There will be an LNA (Logic & Accuracy Testing) test on October 11, 2024 at 9:00 a.m., this test will verify that the election and voting equipment functions as expected and accurately counts votes.
