## MEMORANDUM

The Juvenile Probation Department, acting through the Collin County Juvenile Board, seeks to notify the Collin County Commissioners Court of its need and board action, authorizing paid overtime for juvenile detention facility operations. Paid overtime was authorized to manage increased security concerns, meet minimum staffing requirements, and other mitigation measures needed for facility management during a major repair. Paid overtime was authorized beginning September 30, 2024, through October 13, 2024. The department will utilize state funding to pay for the expenditure.

Respectfully,

H. Lynn Hadnot, Director  
Collin County Juvenile Services
