AGREEMENT

NOW, THEREFORE, in consideration of the above recitals, the mutual promises, covenants, and agreements that follow and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties do hereby represent, warrant, covenant, and agree as follows:

I.
TERM OF AGREEMENT

1.1 Effective Date. This Agreement shall become effective on November 1, 2023, regardless of when this Agreement is executed by Princeton, the Members, and each elected MUD's authorized representatives (the "Effective Date").

1.2 Term of Agreement. The initial term of this Agreement shall begin on the Effective Date and shall continue in full force and effect through and including October 31, 2024, unless terminated earlier pursuant to Section 1.3 of this Agreement (the "Initial Term"). The Parties shall have the option to renew this Agreement for four (4) additional one (1) year periods, which will begin on the expiration of the Initial Term (November 1, 2024), and on each successive one-year (1-year) anniversary date thereafter, unless terminated earlier pursuant to Section 1.3 of this Agreement (each a "Renewal Term"). The Initial Term and each Renewal Term shall collectively be referred to as the "Term" of this Agreement. The Term of this Agreement shall conclude on October 31, 2028, unless terminated earlier pursuant to Section 1.3 of this Agreement.

1.3 Termination. Any Party may terminate this Agreement, with or without cause, before the end of the current Term by providing each of the other Parties one-hundred and forty (140) calendar days' written notice of the Party's desire to terminate this Agreement. For the avoidance of confusion, a Party's notice of termination will not be effective if it is made within one hundred and forty (140) calendar days of the expiration of the current Term, unless good cause is shown. This Agreement may be terminated at any time by mutual agreement of all the Parties, as evidenced by a written and signed termination agreement.

1.4 Cancellation. In the event a Party deems it to be in its best interest not to extend the Term of this Agreement, the Party shall provide each of the other Parties reasonable written notice, which must be at least sixty (60) calendar days prior to the expiration of the current Term, of the Party's desire not to renew and extend the Term of this Agreement.

II.
RELATIONSHIP OF PARTIES

2.1 Independent Parties. Each Party, including its agents, employees, representatives, volunteers, or any other person operating under this Agreement, shall not be considered an agent, employee, representative, or volunteer of any other Party to this Agreement. The relationship of the Parties shall be governed by the terms and provisions of this Agreement.

2.2 EMS Advisory Board. Consistent with the terms of this Agreement, the Parties shall designate certain agreed-upon representatives to deliberate, discuss, and address issues affecting the EMS system, the Ambulance Contract, and this Agreement (the "EMS Advisory Board"). The EMS Advisory Board shall meet quarterly (or more if the need arises) to discuss the Ambulance Contract, this Agreement, and any other related matters. Each Member shall appoint one (1) representative to the EMS Advisory Board, and each Member representative will have one (1) vote within the Northern and Eastern Coalition. Each elected MUD may appoint one (1) representative to the EMS Advisory Board; however, all MUD representatives will not have a vote within the Northern and Eastern Coalition.

III.
SERVICES

3.1 Provision of Ambulance Services. Vendor shall provide the Ambulance Services to Princeton, the Northern and Eastern Coalition, and each elected MUD in strict accordance with the Ambulance Contract. The quality and quantity of the Ambulance Services to be provided by the Vendor to one Party will be substantially the same as the quality and quantity of the Ambulance Services provided to the other Parties. The Parties make no representations or warranties that the level or degree of Ambulance Services provided

under this Agreement will be maintained or continued to any particular standard, except as to the standard articulated by the Vendor in the Ambulance Contract. No Party hereto shall be liable to the other Parties for any losses, costs, damages, injuries, claims, or expenses arising from, related to, or connected with the Vendor's provision of Ambulance Services.

IV. PAYMENT OF SERVICES

4.1 Payment by Each Member. During the entire Term of this Agreement, each Member shall make payments to Princeton in accordance with the terms of this Agreement to pay for each Member's respective portion of the Total Cost of the Ambulance Services. Each Member's total payment obligation for Ambulance Services for each year is determined by the following formula:

- (a) Total Cost of the Ambulance Services for the year (as provided in the Ambulance Contract) DIVIDED BY the total population of the Northern and Eastern Coalition (as determined by the GIS Numbers provided by the County for the year for the Northern and Eastern Coalition), which equals the rate per person for Ambulance Services.
- (b) The rate per person for Ambulance Services (as provided in Section 4.1(a) above) is MULTIPLIED BY the total population of each Member (as determined by the GIS Numbers provided by the County for the year for that particular Member), which equals each Member's total payment obligation for Ambulance Services for each year.

4.2 Payment by Each Electing MUD. Each MUD electing Ambulance Services under this Agreement shall pay Princeton a one-time administrative fee in the total amount of TWO THOUSAND AND NO/100 DOLLARS (\$2,000.00) to be used to pay for each MUD's respective fees associated with (i) becoming a non-voting member of the Northern and Eastern Coalition; and (ii) such other administrative fees and expenses incurred by Princeton, including, without limitation, administering and managing the Ambulance Contract (the "MUD Initiation Fee"). In addition to the foregoing MUD Initiation Fee, each MUD shall also make additional payments to Princeton to pay for each MUD's respective portion of the Total Cost of the Ambulance Services in the amount determined by the following formula:

- (a) Total Cost of the Ambulance Services for the year (as provided in the Ambulance Contract) DIVIDED BY the total population served (as determined by the GIS Numbers provided by the County for the year for that particular MUD), which equals the rate per person for Ambulance Services.
- (b) The rate per person for Ambulance Services (as provided in Section 4.2(a) above) is MULTIPLIED BY the total population of the Unincorporated area (as determined by the GIS Numbers provided by the County for the year for that Unincorporated Area), which equals each MUD's total payment obligation for Ambulance Services for each year.

4.3 Payment by Princeton. During the entire Term of this Agreement, Princeton shall pay for its respective portion of the Total Cost of the Ambulance Services. Princeton's total payment obligation for Ambulance Services for each year is determined by the following formula:

- (a) Total Cost of the Ambulance Services for the year (as provided in the Ambulance Contract) DIVIDED BY the total population of the Northern and Eastern Coalition (as determined by the GIS Numbers provided by the County for the year for the Northern and Eastern Coalition), which equals the rate per person for Ambulance Services.

- (b) The rate per person for Ambulance Services (as provided in Section 4.3(a) above) is MULTIPLIED BY the total population of Princeton (as determined by the GIS Numbers provided by the County for the year for Princeton), which equals Princeton's total payment obligation for Ambulance Services for each year.

4.4 Payment by Collin County. During the entire Term of this Agreement, Collin County shall pay for its respective portion of the Total Cost of the Ambulance Services. Collin County's total payment obligation for Ambulance Services for each year is determined by the following formula:

- (a) Total Cost of the Ambulance Services for the year (as provided in the Ambulance Contract) DIVIDED BY the total population of the Northern and Eastern Coalition (as determined by the GIS Numbers provided by the County for the year for the Northern and Eastern Coalition), which equals the rate per person for Ambulance Services.
- (b) The rate per person for Ambulance Services (as provided in Section 4.4(a) above) is MULTIPLIED BY the Adjusted Total of the Unincorporated Population of the Northern and Eastern Coalition (as determined by the GIS Numbers provided by the County for the year for the Unincorporated Population of the Northern and Eastern Coalition), which equals Collin County's total payment obligation for Ambulance Services per year.

4.5 Parties to Pay Princeton; Princeton to Pay Vendor. Princeton agrees to pay the Vendor the Total Cost of the Ambulance Services as required by the Ambulance Contract, provided that each Member and electing MUD reimburses Princeton for the amounts that each Member and electing MUD owes pursuant to Section 4.1 and Section 4.2 of this Agreement. Princeton will invoice each Member and electing MUD quarterly in a form template that is mutually agreeable among the Parties (the "Invoice"), which Invoice shall include the amounts owed, pursuant to Section 4.1, Section 4.2, Section 4.3, and Section 4.4 of this Agreement, by each Member, each electing MUD, and Princeton for the Initial Term of this Agreement.

4.6 Payment for Revenues. Each Member, each electing MUD, and Princeton shall make payments hereunder from current revenues available to each respective Party.

4.7 Payment Responsibility for Withdrawing Party. In the event a Member or MUD terminates its participation in this Agreement pursuant to this Agreement (the "Withdrawing Party"), the remaining Parties hereby acknowledge and agree that the amount that would have been paid by the Withdrawing Party shall be paid by the remaining Parties, collectively on a per capita basis.

4.8 Discount. In the event the Vendor is assessed damages, the Parties will receive a discount based upon the population percentage (calculated on Attachment A) on their next quarterly payment.
