Re: Budget Amendment for Inspection of Emergency Fuel System Replacement

Public Works requests a budget amendment in the amount of \$364,000.00 to cover Expenditures for daily inspections of work performed in replacement of the emergency generator fuel system at the Jail Complex. The daily inspections will be done in order to assure compliance with plans, specifications, and state law.

A breakdown of the costs associated with this project are detailed in the proposal AS 2053 from MD Engineering and is attached hereto as Exhibit A.

Funds available in 1010-00000-0000-00-00-0000-300251- would be transferred to Project BAJ1001 1010-100010026-80910 to accommodate this amendment.

Should you require additional information, please contact me and I will respond accordingly.
