RE: Acceptance of No-Cost Extension for IDCU-COVID Grant Award
(Contract No. HHS000812700014) through the Texas Department of State
Health Services (DSHS)

Attached for acceptance is a DSHS no-cost extension to the IDCU-COVID grant. This amendment extends the end of the contract term to July 31, 2026. This extension will allow Collin County Health Care Services to continue funding existing personnel which perform critical COVID-19 response and program activities. There is no change to the total award amount which remains at \$1,026,626.00.

Collin County Health Care Services requests approval of this grant extension and the use of existing Health Care department funds to support the personnel on this grant. Existing Health Care funds will be used to purchase items for staff that are critical for department operations but are not allowable to be purchased with grant funds, which are an estimated total cost of \$500/year.
