RE: Acceptance of Texas Department of State Health Services (DSHS)
FY2025 Tuberculosis (TB) Federal and State Funds Grant Contract
(HHS001437400014)

Collin County Health Care Services is requesting Health Care Board of Trustees acceptance of the FY2025 Tuberculosis (TB) Prevention and Control contract from the Texas Department of State Health Services.

Beginning with this year's renewal, DSHS has consolidated the historically referenced "TB Federal" and "TB State" grants into one contract while maintaining separate budgets for each project.

This is a routine grant renewal with staff funded by a combination of grant and Collin County funds. Grant funding is primarily used for staff salary and fringe benefits. The application for these two grants was approved on April 22, 2024 as agenda items #55823 and #55824.

CCHCS requests acceptance of this grant renewal and for the use of existing Health Care department funds to support the personnel on this grant. Health Care funds will be used for travel, trainings, and supplies to continue to meet program objectives.
