RE: Acceptance of Amendment No. 1 to the FY25 Hazards/Public Health
Emergency Preparedness Grant Contract (HHS001439500005) with the
Texas Department of State Health Services (DSHS)

Attached is an amendment to the Hazards/Public Health Emergency Preparedness (PHEP) grant contract. There are no changes to the current contract term and the DSHS funding amount remains at \$562,786.00 for FY2025.

This amendment revises federal award information and the Statement of Work (SOW) to revise program reporting requirements and allowable activities under the grant contract.

I respectfully request approval of this contract amendment.
