RE: Acceptance of Amendment No. 1 to the Medical Reserve Corps Grant Contract (HHS001409300015) with the Texas Department of State Health Services (DSHS)

Attached is an amendment to the Medical Reserve Corps (MRC STTRONG) grant contract. There are no changes to the current contract term and the DSHS funding amount remains at \$47,242 for FY2025.

This amendment revises the Statement of Work (SOW) to revise program reporting requirements and allowable activities under the grant contract.

I respectfully request approval of this contract amendment.
