Kristina Jones Broaddus & Associates 2330 Bloomdale Rd McKinney, TX 75071

Subject: Collin County Healthcare Facility, Parking Garage, and Medical Examiners Request for Change No.013; ASI #1.1 Saw Cutting and Chilled Water Scope Breakout

Dear Kristina:

Please find the attached Request for Change No. 013. This proposal is submitted for a Add of Fourteen Thousand Four Hundred and Twenty-One Dollars (\$14,421), reflective of the following items:

- Per issuance of ASI #1.1 drawing revisions, additional paving demolition for the removal of existing chilled water lines.
- Additional chilled water line fittings due to (2) 6" chilled water lines being rerouted.
- This pricing is broken out from PCO #3 due to the extended review time on PCO #3. Approval of this PCO by 12/19/24 is required to not impact the chilled water tie-in work.
- This PCO will be an add to our contract in the amount of \$14,421.00.

We have not proceeded with this change pending approval of this PCO cost. Please sign the attached request for change recap indicating approval of this change.

Sincerely,

Jim Ternune
Jim Ternune
Sr. Project Manager

CC: Bryan Smith, PGAL

Request for Change

Qualifications:

- 1) This Proposal is valid for 15 days. Should approval be received after such time, or work is covered up by other trades prior to approval being received, CEC reserves the right to re-price and address any schedule
- 2) This Proposal includes any appropriate credits.
- 3) This proposal excludes any electrical, fire protection, fire alarm, drywall, roofing, or architectural finishes of any type.
- 4) This Proposal excludes any sawcutting, removal of concrete work or demo of any kind that is not specifically included in the proposal.
- identified at this time. There are no impact or ripple costs and no delay cost included in this proposal, unless stated otherwise. Should it be determined at a later date that we are experiencing impact cost because of multiple changes, delays, or other causes beyond our control, we will submit those cost at that time. Therefore, CEC, expressly reserves all rights to additional compensation for schedule changes, performance cost increases, other direct cost, indirect cost, ripple effects, and/or impacts not presently known and or determined directly or indirectly arising out of or related to the subject of this modification, to include appropriate overhead costs, general, managerial and administrative costs and profit
- 6) This proposal is an estimate of the costs to perform the work covered by the change order. The actual cost of the work and related changes could be higher or lower than our current estimate. It should be noted that the above amount is a lump sum price.
- 7) This proposal is fair and equitable for the work requested and a change order should be issued immediately so as not to delay the project. If the proposal does not result in a formal change order to our contract within 15 days, we reserve the right to revise our price.
- 8) This proposal excludes any work not specifically described with-in.
- 9) This proposal includes pricing based on data from MCAA, CEC's previous experience, and from the CEC SOP.
- 10) This proposal accounts for one (1) mobilization / pass of work to
- accomplish defined scope.

 11) This proposal is based on working normal business hours and excludes overtime or shift work unless specifically included above. It OT is required the impacts from cumulative OT will be calculated per the MCAA / NECA Tables.
