FROM: Jason Browning, Fire Marshal
RE: Advertisement RFP 2025-002, Debris Removal

Honorable Court,

I respectfully request Commissioners' Court to consider and approve to advertise for bid: RFP 2025-002 Disaster Debris Removal (Emergency Work). This RFP is for the cleanup and processing of debris following a debris generating disaster, such as a tornado or winter storm, in which the amount of debris exceeds the County's ability to abate it. There are no costs associated with the RFP until the contract is activated following a debris generating event.
