**THOMAS A ADCOX
PO BOX 417
NEVADA, TX 75173-0417**

Dear Collin County Property Owner:

The Collin County Rural Addressing Office is proposing to change the following road name in your area, for consistent 9-1-1 addressing.

This effort, in coordination with the City of Nevada, the Nevada Fire Department, the Collin County Sheriffs Office, and the Nevada Post Office is intended to facilitate both 9-1-1 emergency response and mail delivery.

The Rural Addressing Office will make this request on the Collin County Commissioners Court agenda for **January 27, 2025**. The scheduled court date is subject to change – for the latest agenda notice, go online to www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp.

Do NOT begin making any changes now. Upon approval of changes by the Commissioners Court, a letter will be sent to you confirming the following correction.

On Willis Rogers Survey Abstract 748, Tract 49:

from: **17687 COUNTY ROAD 537** to: **522 LONE TREE RD**

As a vacant property, no address is assigned at Jas Osgood Survey Abstract 673, Sheet 1, Tract 2 at this time.

After approval the telephone company, the Collin Central Appraisal District, your emergency service dispatcher, and your post office will also be notified of the change in the 9-1-1 database. Mail to the old address will continue to be delivered for one year.

This address correction will be effective after the Commissioners Court approval – you will receive an address change confirmation letter that week. Mail delivery changes can be delayed until after the Christmas holiday.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions concerning this address, please call the GIS / 9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
