Re: K9 FERRO RETIREMENT

In recognition of loyal and dedicated service to the Collin County Sheriff's Office, we announce the retirement of K9 Ferro. Ferro is 8 years old, and his start of service with CCSO was September 2018.

Based on the recommendations of his handler, and veterinarian, Sheriff Skinner has determined that Ferro is ready to retire from service as a canine officer. He is at the end of his working life and is suitable for adoption by Warrior Dog Foundation (WDF). WDF transitions our country's working K9s from an operational environment into retirement.

Ferro has been integral to Collin County Sheriff's Office, Investigations Bureau. His specialties include narcotics detection, tracking, area/building searches, criminal apprehension, and handler protection. His contributions will always be valued and remembered.

The attached document is the contract for the retirement of Ferro and release of liability for WDF. Your approval and signature are requested.
