Re: Grant Application – C.T.D Human Trafficking Program

The Juvenile Probation Department seeks commissioner's court approval to apply for a grant through the Office of the Governor, Criminal Justice Division. The grant request is for \$111,120.00 with a county cash match of \$37,040.00, a total project fund of \$148,160.00. Grant funding will be used to continue an innovative program for victims of human trafficking. The program is a beta, the first of its kind, called the CTD Program (CSE-IT, TREAT IT, DIVERT IT), and is designed for early identification of victims and kids who are at high risk for trafficking, to then provide them and their families with intensive case management and community-based services for trauma associated with victimization, and to ultimately divert these victims away from the traditional criminal justice system altogether. If awarded, the department will utilize funding within its established operational budgets to cover the cash match requirement for the project.

Respectfully,

H. Lynn Hadnot, Director
Collin County Juvenile Services
