Re: CEU DONATION ACCEPTANCE

The Collin County Sheriff's Office Child Exploitation Unit (CEU) Internet Crimes Against Children Task Force (ICACTF) requests the following item to be accepted as a donation from the National Computer Forensics Institute (NCFI), through participation in Basic Computer Evidence Recovery Training. Investigator Monk attended the training from July 22 through August 22, 2024, and received the item at that time. The Sheriff's Office requests that the Commissioners Court accept the donation and add it to the county maintenance plan. The NCFI provided the asset with one year of maintenance and support which will expire in August 2025.

In addition, the Collin County Sheriff's Office CEU - ICACTF is requesting County funds in the amount of \$5,000.00 for the Axiom Software. This funding will renew the donated software subscription from the point of expiration and co-term the renewal to the FY26 county maintenance renewal.
