RE: FY 2023 ICAC Grant Extension

I am requesting Commissioners Court to accept the FY 2023 Internet Crimes Against Children (ICAC) Task Force Grant Extension for FY 2025. The award grants an additional \$16,000 of funding to my office to combat internet-based crimes against children. The money must be spent and reimbursements submitted by September 15, 2025, and there is no county match.
