Request for Proposal – Trufig Data Facia GME Proposal X904 GME Project #GME-24-009

Scope:

 HC-T2.00- Add (8) TruFig data gypsum mounting platforms, (11) tile dams and shims, (11) Data Facia covers. Per RFI #63 response

Clarifications:

- 1. Permits or inspection fees are not included if required.
- 2. Material may have extended lead time. EST provided once order is placed.
- 3. Painter must match and paint Trufig data covers to tile and sheetrock areas.

Exclusions:

- 1. Exclude cutting tile
- 2. Exclude painting for Trufig data covers.

General Conditions:

- 1) Any applicable sales taxes are included in our submission.
- This contractor shall not be held liable for errors or omissions in designs by others, nor inadequacies of materials and equipment specified or supplied by others.
- Equipment and materials supplied by the contractor are warranted only to the extent that the same are warranted by the manufacturer (unless otherwise required by specification).
- 4) This contractor shall not be liable for indirect loss or damage.
- 5) Unless included in this proposal, all bonding and/or special insurance requirements are supplied at additional cost.
- 6) We do not include any cutting, patching or painting of concrete, wall surfaces or ceiling surfaces. Our work is bid with the assumption that our work will be scheduled to be installed in accordance with the manufacturers recommended installation procedures and NEC code requirements. All back boxes must be installed prior to wall surfaces for new wall construction and wall surfaces must be removed for installation of electrical systems in existing walls.
- 7) All material is guaranteed to be as specified (unless noted otherwise). All work to be completed in a workman like manner according to standard practices. Any alteration or deviation from the above specifications involving extra work will be executed and signed for on a daily basis, computed utilizing NECA labor and material units and will become an extra charge over and above the estimate.
- 8) George-McKenna Electrical Contractors, Inc. bids this project with the assumption that there is no asbestos or lead contamination on the project site, and will not be responsible for the removal, protection from, or disposal of same. If asbestos or lead contamination is found, our personnel will stop work until removal of asbestos or lead from the project site has been completed by others.
- Our proposal is valid for 10 days. After 10 days we reserve the right to adjust our proposal for material and/or labor increases or voidance.
