COLLIN COUNTY, TEXAS

From: Sheriff Jim Skinner *JOS*  
Re: Acceptance of Numi Financial (Card Program) Contract

The Collin County Sheriff's Office respectfully requests Commissioners Court consideration and approval of the contract with Numi Financial (Card Program), and to further authorize the Purchasing Agent to finalize and execute same.

Keefe Commissary Network, LLC was awarded Commissary Services Contract 2024-279 as noted on the January 27, 2025 Commissioners Court agenda. Keefe works exclusively with NUMI Financial to provide a prepaid Mastercard to individuals leaving the detention facility with the balance of any funds left on their individual inmate commissary account which had been deposited into the Collin County Inmate Trust Fund Account at American National Bank of Texas. Funds deposited into that account can be used to purchase inmate commissary items, phone/ tablet time, and pay for medical charges incurred while in custody.

Numi Financial has been used at the Collin County Adult Detention Facility since 2011, however the previous agreements were held under the commissary services vendor utilized at that time (Aramark Correctional Services, LLC). Numi Financial is requesting a new contract because the Collin County Sheriff's Office changed commissary services vendors.

Finally, because the Collin County Adult Detention Facility provides an individual with the balance of both their commissary and non-commissary accounts (*e.g.*, phone and medical account funds), the Sheriff likely does not have the authority to sign this contract under Local Government Code 351.0415.
