Re: Advertisement of RFP No. 2025-100, GPS Monitoring Services

In light of the magistrates' orders, under, for example, CCP, Chapter 11, 17, or 44, which have placed over 250 persons on pretrial release with an electronic leg monitor (ELM) or GPS monitor, and the fact that the County's current contract for these services will soon expire, the Sheriff's Office joins CSCD and Juvenile Probation in recommending that the Commissioners Court approve the publication or advertisement of RFP No. 2025-100 to start the process to rebid the County's contract. LGC Chapter 262 presumptively requires the County to use competitive-bidding procedures for this purpose.
