RE: Red Cross Blood Drive – Courthouse front parking lot

I am requesting authorization for the District Clerk's office to host a blood drive with the American Red Cross Blood Donation Bus in the front parking lot of the Collin County Courthouse on March 28, 202 between the hours of 11:00am – 6:00pm for preparation, event, and cleanup. The event is for all county employees and the public who would like to participate and donate blood. Furthermore, the American Red Cross has requested a waiver of fees and insurance requirements.
