PETITION PROCESS TO RENAME A PRIVATE ROAD

Dear Collin County Property Owners:

The adjoining property owners have the option of naming a private road: this requires submittal of the enclosed Private Road Name Petition to this office, with the signature of at least one owner of each adjoining properties. If a property is owned by a corporation, please include documentation that the signer is an authorized representative.

Very Important: There cannot be duplication of existing road names – before filling out the petition, please call this office (972-548-4192, or metro 972-424-1460 ext. 4192) for verification of your road name choices.

The Collin County Commissioners Court meets on most Mondays. Once the signed petition for a verified roadname has been received, the request will be put on the next available session (2-3 weeks later). If faxed, please send the original signed petition by mail as soon as possible.

Within 2 weeks after approval by the commissioners court, a 9-1-1 address correction letter will be sent to you, the post office, and all emergency services.

The blue and white metal private road sign and post may then be purchased from Collin County Public Works (972-548-3700). Signage repairs or replacements will then be the responsibility of the property owners.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

Sincerely,

Ramona Luster
