MEMO

To: Mr. Glenn Snodderly,
RE: Collin County Juvenile Justice
Date: 03-07-2025

Eskola, LLC is an approved applicator for Sarnafil and Eskola, LLC has installed Sarnafil roofing materials in the DFW area with successful results. Additionally, Eskola, LLC is an approved applicator for Carlisle, but as of this date, they have installed no warranted Carlisle roofing materials projects in the DFW. Nationwide, Eskola has a good reputation with both manufacturers.. DRYTEC has no objection.
