Ashley,

Here are the display options below but also the other hardware needed. We need to see how the HDMI's are run up there so we can see if we need to get longer cables or just extend what is there with a HDMI coupler and an extra HDMI cable.

Samsung QM55C - \$1260  
Rated for 24 hrs / 7 days

Samsung QB55C - \$1010.00  
Rated for 16 hrs / 7 days

Mount

Chief MSTU - \$120.95

(What the info on their website saying 26"-47" is wrong on this model. The MSTU is for up to 65")

HDMI Coupler - \$5.49
