TO Commissioners Court

FROM Jon Kleinheksel JK

RE Rescind and Award Line 3 of IFB 2025-204
Grounds Maintenance Equipment

Earlier this month, Commissioners Court approved a bid for grounds maintenance equipment. The original bid specified 1 Scag mower for Facilities and 1 John Deere mower for Myers Park. Soon thereafter, one of the vendors discovered a mistake with their bid in which they had quoted the wrong engine on one of the line items.

Public Works requests Commissioners Court consideration and any action regarding approval to rescind the award of Line Item #3 on IFB 2025-024, Grounds Maintenance Equipment to JHouston Holdings LLC dba LSM Outdoor Power per Court Order 2025-225-03-03.

In addition we request to award Line Item #3 on IFB 2025-024, Grounds Maintenance Equipment to Prindle, Inc. per the attached documentation.

The funding on these new units was approved in the FY2025 budget.
