Date: 14 April 2025  
TO: Commissioners Court  
FROM: Amanda Parks, Collin County Extension Office  
RE: Commissioners Court Request - Ask A Master Gardner Program

The Collin County Extension Office requests speaking to the Commissioners Court on April 28<sup>th</sup> with their volunteer Master Gardeners. The Master Gardeners would love to share an update on their Ask A Master Gardener Program, which has grown its reach significantly in the county recently.

This program is a mobile horticulture education project that presents research-based information at numerous events annually. We want the community to garden and landscape more successfully (and economically) using best environmental practices. By learning from Texas AgriLife publications that are specific for our area, everyone can garden successfully!

Thank you for your consideration.
