RE: 89th Session Legislative Update

On Tuesday, January 14, 2025, the 89th Session of the Texas Legislature began with the first contested Speaker's race in over half a century. Legislators have been filing bills since November and thousands of bills have been filed so far. Lt. Governor Dan Patrick issued committee assignments for the Senate which can be found [here](#). Speaker Phelan released House Committee assignments and can be found [here](#).

Please note that Collin County's official population bracket for legislative purposes is 1,064,465 according to the Texas Legislative Council *Drafting Manual* for the 89th Session (<https://www.tlc.texas.gov/docs/legref/draftingmanual-89.pdf>).

This memo outlines several bills that have been filed which would have an impact on Collin County. Bills added to this running list are first. Changes or additions to the previous bills presented are in *italics*.

Thursday, May 15, 2025, is the final day that a House bill can be passed by the House on second reading. If a bill does not pass the House by May 15, then the bill is procedurally dead. The final day for a Senate Bill to be considered on the House Floor on second reading is Tuesday, May 27 (Saturday, May 24, is the last day for a House Committee to report a bill).

The Legislature will sine die on Monday, June 2, 2025.

Previous bills:

HB 19 (Meyer) - Relating to the issuance and repayment of debt by local governments, including the adoption of an ad valorem tax rate and the use of ad valorem tax revenue for the repayment of debt.

Status: *Pending in Committee, procedurally dead*

This bill makes significant changes to how debt is issued by local governments. The bill restricts the use of tax notes and certificates of obligations. The bill also creates a threshold for the amount of debt payments a local government can make. A local government can issue debt only if the local government's debt payments are less than twenty (20) percent of the levy. This bill would have significant impacts on fast growing counties like Collin County.

HB 21 (Gates)/SB 867 (Bettencourt) - Relating to housing finance corporations; authorizing a fee.

Status: *Signed into Law*

This bill changes the approval processes for Housing Finance Corporations (HFC) to purchase properties and remove property from the tax roll. The bill allows an HFC to exercise its authority only within the jurisdiction of its sponsoring entity. An HFC sponsored by a city can only exercise its authority in the city, and a county's HFC can only exercise its authority in the unincorporated area of the county unless the city where the project is located allows the project.

HB 23 (Harris)/SB 2354 (Creighton)/SB 1450 (Bettencourt) - Relating to the authority of certain persons to obtain third-party review of plats and property development plans, permits, and similar documents, and the inspection of an improvement related to such a document.

Status: *procedurally dead*

This bill would allow developers to utilize third-party review for inspections and compliance with city and county platting regulations. The bill prohibits a requirement by a county for a developer to seek a county's approval for a development document or inspection that a third party reviewer has approved.

HB 165 (Vasut) - Relating to the elimination of ad valorem taxes and the creation of a joint interim committee on the elimination of those taxes.

Status: Introduced, procedurally dead

This bill creates an interim committee of the House and Senate members to evaluate replacing ad valorem taxes, the impact on local revenues, and other funding mechanisms. A report from the committee is due on November 1, 2026, and abolishes all ad valorem taxes starting on January 1, 2035.

HB 202 (Metcalf) - Relating to making permanent the limitation on increases in the appraised value of certain real property for ad valorem tax purposes.

Status: Introduced, *procedurally dead*

This bill makes permanent the annual increase in non-residential appraisal value increases to twenty (20) percent. The bill will affect appraisals beginning on January 1, 2026.

HB 312 (Tepper)/SB 525 (Kolkhorst) - Relating to the eligibility of a person who is not a United States citizen to be appointed to or serve in a public office or on an advisory board or task force.

Status: Introduced, *procedurally dead*

This bill requires individuals who are appointed or serve in public office, advisory boards, or task forces to be U.S. citizens.

HB 363 (Bell) - Relating to the notice and petition for the creation of a municipal utility district in certain counties.

Status: Passed House, *procedurally dead*

This bill requires a notice be sent to Commissioners Courts before a petition is filed to create a municipal utility district through the Texas Commission on Environmental Quality.

HB 571 (Cain)/HB 671 (Shaheen) - Relating to the use by a political subdivision of public funds for lobbying and certain other activities.

Status: Introduced, *procedurally dead*

This bill prohibits a political subdivision from expending public funds for hiring a registered lobbyist, pay a nonprofit state association or organization that represents political subdivisions. The bill includes exceptions from the prohibition including lobbying related to the military, military service members, or veterans, and lobbying related to a full-time employee of a nonprofit state association or organization that provides legislative services, communicating with a member of the legislature to provide information, or testifying for or against legislation.

HB 701 (Bernal) – Relating to the appointment of an attorney ad litem or an amicus attorney in certain cases of divorce.

Status: Introduced, *procedurally dead*

This bills requires a court to appoint an ad litem or amicus attorney for a child under twelve (12) years of age in a divorce case where the possession of a child is contested and the possession order varies from the standard possession order. *The number of cases that this could affect is 1,800-4,000 annually with an estimated cost of \$14,000 per case.*

HB 797 (Leach) - Relating to the discipline of judges by the State Commission on Judicial Conduct and notice to the legislature of certain reprimands.

Status: Introduced, *procedurally dead*

This bill expands the disciplinary measures that the State Commission on Judicial Conduct can take. The bill requires that certain state officials be notified of judicial reprimands by the Commission. The bill could be improved by adding a notification to the County Judge of the County where the disciplined judge resides.

HB 844 (Thompson) - Relating to the authority of a municipality or county to request a hearing from the Texas Commission on Environmental Quality related to the construction of a concrete plant.

Status: Introduced, *procedurally dead*

This bill allows cities and counties to request a TCEQ hearing on the construction of a concrete plant in their jurisdiction.

HB 878 (Vasut) – Relating to the regulation of residential land use and accessory dwelling units by a political subdivision; authorizing a fee.

Status: Introduced, *procedurally dead*

This bill restricts municipalities over 85,000 population in a county of one million or more from prohibiting residential lots of 4,000 square feet or less, require a lot to be larger than 2,500 square feet, adopt an ordinance where the ratio to dwelling units to acres is less than 31.1 units. The bill prohibits a political subdivision from adopting an ordinance or order that prohibits accessory dwelling units or that regulates the general requirements of the accessory dwelling unit.

HB 882 (Reynolds) - Relating to building codes applicable in the unincorporated areas of a county.

Status: Action Pending (House Land and Resource Management), *procedurally dead*

This bill allows a Commissioners Court to adopt building code standards for the unincorporated area of the County. The Commissioners Court must hold public hearings before the adoption of such a code.

HB 1031 (Morales)/HB 1036 (Morales) is similar - Relating to the compensation paid to certain county and precinct officers and employees.

Status: Introduced, *procedurally dead*

This bill removes the approval by Commissioners Court of court coordinator and court administrator salaries. The judges determine the salaries and the Commissioners Court shall provide the funding in the budget process.

HB 1080 (Curry) - Relating to the publication of required notice by a political subdivision by alternative media.

Status: Voted out of House Intergovernmental Affairs, *procedurally dead*

This bill allows a political subdivision to meet the posting requirements by posting on alternative media rather than a newspaper of general circulation. The political subdivision must hold a public hearing before using an alternative method.

HB 1449 (Capriglione) - Relating to permits for mobile food service establishments operating in certain counties.

Status: *Passed House, procedurally dead*

This bill allows mobile food service providers in a county with a population of one million or more to be inspected by the county and operate anywhere within the county. A county may set the fee for the inspection and permit up to the amount to recover annual expenditures for the

inspection and permitting program. A county may delegate to a city within the county the ability to perform the inspections and issue permits.

HB 1461 (Frank) - Relating to the confinement or detention of certain individuals in a county jail or other facility operated by or for the county and to the compensation to the county for the costs of that confinement.

Status: *Passed House, procedurally dead*

This bill would reimburse counties for the cost of confining defendants waiting for competency restoration, juveniles sentenced to TJJD, and parole violators.

HB 1998 (Spiller)/SB 1173 (Perry) – Relating to the amount of an expenditure made by certain political subdivisions for which a competitive procurement method may be required to be used.

Status: *SB 1173 signed into law, effective date 9/1/25*
