Re: Wellpath, Contract Modification Document (Performance Bond)

---

Under the County's medical contract with Wellpath LLC for health-care services in the county jail, Contract No. 2022-061, Wellpath asked the County to reduce the requirement for a \$12 million performance bond to a \$1.8 million performance bond in exchange, in part, for a \$728,527 reduction in the contract price. By an April 2, 2025 letter to the County Administrator, I supported Wellpath's request. Wellpath has proved to be an excellent health-care provider in the county jail, and I wanted to preserve our relationship with this provider.

This contract modification document would modify the requirements for Wellpath's performance bond along somewhat different lines. In early May, the U.S. bankruptcy court confirmed the reorganization plan of Wellpath LLC's parent (Wellpath Holdings, Inc.),<sup>1</sup> and I understand that Wellpath LLC has retained its contract with the County. As long as the contract modification document enables the County to retain Wellpath LLC as the health-care provider in the county jail, I have no further input about the document.
