RE: Change to Inmate Health Care Medical Performance & Payment Bond

The Purchasing Department has requested that I submit a memo regarding the change to the inmate health care medical performance and payment bond. We are seeking your approval to modify the contract with Wellpath LLC concerning their performance bond. We propose to revise Section 11.12 (Performance & Payment Guaranty) of the Agreement as follows:

The requirement for a 100% Payment and Performance Bond will be adjusted. The Contractor will now provide a reduced Payment and Performance Bond of \$1,800,000.00, down from the previous amount of \$12,077,613.85.

Please review and approve this amendment to Section 11.12 - Performance & Payment Guaranty (Bonds).

Additionally, the monthly compensation for adult detention facilities will decrease by 4.16%, changing from \$1,400,170.42 to \$1,341,863.25, resulting in a total annual amount of \$16,102,359.04.

Similarly, the monthly compensation for juvenile detention facilities will decrease by 4.07%, changing from \$59,126.14 to \$56,722.64, resulting in an annual total of \$680,671.63.

In summary, the total annual compensation will be modified accordingly to reflect these adjustments for the Payment and Performance Bond.

Thank you for your attention to this matter.
