The FY25 renewal is budgeted as part of the non-departmental budget request. The cost of this part of the renewal is \$210,328.76. Additionally, there will be an addition of Ballot on Demand items to purchase software, implementation, and equipment installation in the amount of \$357,200.00

Annual post-warranty software license and maintenance and support fees will be \$73,500 per year after the initial year.
