Gina,

I would like to request a price adjustment per Item 4.6 Price Adjustment Clause. The adjustment is for escalation in the price due to a increase in the PPI; Group : Nonmetallic mineral products; Cut Stone and Stone products, Series ID: WPU1395. The supporting documentation for the 4.1% escalation increase is attached with this letter from the Bureau of Labor Statistics.

My calculation is as follows:

Difference between April 2025 PPI value & April 2024 PPI value: $244.767 - 241.034 = 3.733$
Then dividing difference by 2023 PPI value: $3.733 / 244.767 = .154$ or
1.54%

If you have any questions, please feel free to call me @ (325) 677-6258.

Respectfully,

Aaron Myers,
