Terms & Conditions

Thank you for the opportunity to provide this quotation. This quote is provided on a confidential basis, and is intended only for the recipient organization named above. The document may not be forwarded to third parties without prior written permission of the sender. **This transaction is subject to the Neobits sales terms and conditions published on our website at <http://www.neobits.com>; by placing an order pursuant to this quote you are accepting these terms and conditions.** Please reference the Quote Number when placing your order or remitting payment.

The information provided herein constitutes estimated pricing for materials only based on the item list provided by you. **Neobits does not represent or warrant that** (i) the products and equipment set forth herein constitute a complete system, (ii) all such products and equipment will work together or appropriately in your application or (iii) that any or all of the products, equipment or systems will comply with any codes or laws. Additional products, equipment and/or services at an additional cost may be required to complete a system for your application. You are strongly advised to ensure that the quoted products or system is in compliance with your local law and codes.

Nothing contained herein shall cause Neobits to incur any liability for system design, functionality, installation or integration, except as specifically set forth on Neobits' terms and conditions of sale. The quote shall not be interpreted as a recommendation of products for your application. Aggregate pricing for product set forth in this quote shall only be valid for 30 days from the date, except for special order products or products with volatile prices. Quotes on products with volatile market prices are good for 24 hours from date of quote. Pricing for special order products may vary based upon vendor pricing at the time of your order. **Inventory availability is current at the moment the quote is first sent, and is subject to change without notice. Fulfillment is subject to product availability at the time of order, and lead times may vary. Please confirm availability and pricing with your sales rep at the time of placing order.**

Additional taxes and shipping surcharges may apply in excess of amounts quoted, for example in case of oversize items, special delivery requirements, etc. Neobits reserves the right to unilaterally withdraw the offered pricing, and cancel/refund any orders placed pursuant to the quote. This quote may be based on or include equipment that may not have the same appearance or functions as items in your specification. Additional items may be required to be purchased to ensure warranty coverage. Standard manufacturer's warranties and disclaimers apply to each product and Neobits makes no product warranties herein; you are directed to contact each manufacturer for further information or technical support.

When placing your order, please keep in mind:

Same-day Shipping Cut-off Time is 10AM PST. In-stock items ordered after the cut-off usually ship the next business day. We do not ship or deliver on weekends or holidays (except, Saturday delivery may be available for an extra fee). For urgent orders please call us after placing the order, and we will do our best to meet your deadlines. We ship from over 30 warehouses in the US; the warehouse is allocated after order is processed. Shipping estimate may be inaccurate for heavy/oversize shipments; we will contact you with updated freight costs as appropriate. Delivery days are counted as business days from the date of shipping, excluding holidays. For example, a next day air order placed at 5pm Thursday would ship on Friday (assuming item is in stock), and deliver Monday (if neither Friday nor Monday was a holiday). Heavy/oversize items must ship LTL/freight and cannot ship air.
