**NOTICE OF NEW NATIONAL OPIOID SETTLEMENTS
AND UPCOMING ACTION NEEDED TO PARTICIPATE**

New national opioid settlements have been reached with Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus. This is the formal notice required by the settlements and authorized by the parties.

Please read this email and the attached document carefully.

You are receiving this notice because your State has elected to participate in one or more of the eight national opioid settlements with **Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus**. The list of participating states for each settlement can be found at <https://nationalopioidsettlement.com>. Your subdivision or special district may participate in each settlement for which your State has elected to participate.

Your subdivision or special district might have participated in prior national opioid settlements, including those with Johnson & Johnson/Janssen, Cardinal, AmerisourceBergen, McKesson, Teva, Allergan, CVS, Walgreens, Walmart, or Kroger. This notice concerns the opportunity to participate in one or more of the **new** settlements with eight **new** Settling Defendants (**Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus**). Your subdivision or special district may participate in a new settlement even if it did not participate in a prior national settlement.

In the next few weeks, you will receive additional information and documentation to sign and return if you wish to join the new settlements. Please review the list of individuals on this email and contact the Opioids Implementation Administrator at opioidsparticipation@rubris.com if someone else at your subdivision or special district should receive communications about these settlements.

Your subdivision or special district must "opt in" to participate in the new settlements. To do so, you must sign and return the documentation that you will be receiving in the next few weeks.

This notice is different than the notice you recently received from Rubris concerning a settlement with Purdue Pharma, L.P, and the Sackler Family. The settlements discussed in this notice are different than the settlement with Purdue and the Sacklers, and you may participate in the settlements discussed in this notice regardless of whether you join the Purdue and Sackler settlement.

The deadline to return the required documentation is October 8, 2025.

Documentation submitted for prior national settlements is not applicable to the new settlements.

The attached document provides additional information concerning the new national opioids settlements involving **Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus**.

Questions about this notice or the process for receiving and submitting the required Settlement Participation Forms may be directed to your attorney, the Opioids

Implementation Administrator at opioidsparticipation@rubris.com, or your Attorney General's Office.

If your subdivision or special district is represented by an attorney with respect to opioid claims and they are not copied on this message, please immediately contact them concerning this notice.

Thank you,

National Opioids Settlements Implementation Administrator
