

AGREEMENT NO. 2024-176
COLLIN COUNTY PERSONAL SERVICES AGREEMENT
Veteran's Court

THIS AGREEMENT is entered into by and between Irma Salera, herein also referred to as Provider, and Collin County, Texas.

STATEMENT OF WORK: The Provider shall perform the following duties and services as described in the North Texas Regional Veterans Court program in the capacity of Court Coordinator, approved by the court at the request of the County to oversee and direct individuals as related to their participation in the program. Provider shall perform the services at the Courthouse, other county locations or at the Provider's office in McKinney, TX.

In providing services, the Provider shall conduct herself with the highest professional ethics in the performance of the service within the statute of the law.

The goal of the Collin County/North Texas Regional Veterans Court is to move Justice-involved veterans (JIV) out of the traditional criminal justice process and into appropriate, individualized rehabilitative alternatives that improve mental health and successfully lead to community reintegration and criminal case resolution. Once veterans have been screened, assessed, and approved for participation in this voluntary program, they promptly begin a treatment program that is specific to their needs. In addition to program team meetings, the program may involve drug and/or alcohol treatment, random drug testing, support group meetings, vocational or job counseling, educational classes, and community supervision. Many services are provided by outside agencies, and participants are referred as needed. While actual length varies based on participant progress, the 12-to-24 month program consists of 3 phases requiring frequent meetings with the Judge and Program Team during each phase. Upon successful completion of the program, the case(s) may be eligible for dismissal, expunction, or never filed.
