This bid is not for a specific project but to obtain pricing for material that will be ordered on an as-needed basis only. **Flexible Base (Grade 1, Type A)** must meet or exceed the standards set forth in item 247 (Flexible Base), Texas Department of Transportation (TxDOT) 2014 Standard Specifications for Construction and Maintenance of Highways, Streets and Bridges or most current. 2.3. TERM

Provide for a one (1) year term contract commencing on the date of award and with the option to renew for an additional two (2) one (1) year terms upon the approval of both parties.

2.4. FUNDING

Funds for payment for Collin County expenditures have been provided through the Collin County budget approved by the Commissioners Court for this fiscal year only. All other participating entities expenditures have been provided through their entity's governing body for this fiscal year only. State of Texas statutes prohibit any obligation of public funds beyond the fiscal year for which a budget has been approved. Therefore, anticipated orders or other obligations that arise past the end of the current fiscal year shall be subject to budget approval.

2.5. PRICE REDUCTION

If during the life of the contract, the vendor's net prices to its customers for the same product(s) and/or services shall be reduced below the contracted price, it is understood and agreed that Collin County shall receive such price reduction.

2.6. PRICE REDETERMINATION

The bidder is to submit a bid that will be fixed for twelve (12) months from the date of award. A price redetermination may be considered by Collin County only at the twelve (12) month intervals of the anniversary date of this contract. The Contractor may request a price redetermination in their bid, dependent upon fluctuations in the Producer Price Index (PPI);Group:

Nonmetallic mineral products; Item: Crushed and broken stone; Series ID: WPU13210121; as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212 at <https://data.bls.gov/cgi-bin/srgate>. Collin County reserves the right to accept or reject any/all of the price redetermination as it deems to be in the best interest of the County.

This request and documentation must be received at the office of the Purchasing Agent no later than sixty (60) days before the anniversary date. Should a contractor fail to submit the request and supporting documentation to the proper location sixty (60) days before the anniversary date, contractor shall be deemed to have waived its right to any redetermination in price.

The anniversary date will be one (1) year from the date of award. The 'base' month for determining adjustments will be the sixth (6th) month prior to the anniversary date of the contract. The base month is fixed and will not be adjusted year to year. The adjustments will be based on the difference in the base month for each applicable year and will become effective on the first day of the anniversary month. If the contract allows for an adjustment after the first year, it would be based on documented pricing adjustments at the sixth month period compared to the same month of the prior year.
