Subject: Merger of CP&Y, Inc. into STV Incorporated

To Whom it May Concern:

As you are aware, CP&Y, Inc. (CP&Y) was acquired by STV Incorporated (STV) in 2021 and is currently a direct subsidiary of STV. As part of our continued integration efforts, we are pleased to inform you that CP&Y will be merged into STV, with an anticipated effective date on or about August 18, 2025.

As a result of this merger, all existing contracts with you will be held by STV as successor in interest to CP&Y. Once the merger has been completed, we will be under STV Incorporated's Federal Tax Identification Number (13-1986759).

We are excited about our future and our enhanced capabilities to serve our clients in making communities better. With over 3,200 employees across over 60 offices across North America, STV advises, plans, designs, engineers and delivers the infrastructure that powers local economies, including transportation systems, buildings, water and other facilities. It is important to note that the same employees that are currently supporting you will continue to do so post-merger, and you can expect the same level of service.

We ask that you update your records to reflect this change. If your organization requires specific action or additional information from us to formalize this change in your records, please contact Ellen Carpenter by email at ellen.carpenter@stvinc.com with that information so that we may take the necessary actions.

We value our business relationship and look forward to that continuing in the future.

Very truly yours,

A handwritten signature in blue ink that reads 'R. Shane Wade'.

R. Shane Wade, P.E., ASQ CMQ/OE
Senior Vice President, Texas Mountain Region
