MEMO

Date: October 20, 2025
To: Commissioners Court
From: Tracy Homfeld, PE, CFM; Assistant Director of Engineering
Subject: Final Plat for Suncrest Phase 3

Princeton 151 LBC, LLC, owner and D.R. Horton, developer of Suncrest Phase 3 (Tickey Creek Municipal District), requests Commissioners Court consideration of the attached Final Plat of Suncrest Phase 3.

This development is a Municipal Utility District (MUD) and all the infrastructure will be owned and maintained by the district. The District has not acquired contracts for emergency services but is currently working on acquiring contracts for those services.

Phase 3 is 44.10 acres consisting of 375 residential lots and 3 HOA lots. The lots do not front on the existing public roads; therefore, road construction will be required.

Water will be supplied to the development by Culleoka Water Supply Company and sanitary sewer will be provided by the City of Princeton. Storm Drains and Sanitary Sewer Plans will meet the standards for the City of Princeton and the roads will meet the County's minimum standards.

The plat generally meets the County's SUBDIVISION RULES as outlined in Section 1.05 of the Collin County Subdivision Regulations and authorized under Local Government Code (LGC) 232; however, the developer will be required to make the necessary technical edits. Those items will be outlined in a detailed punch list to the developer within 10 days following Court's conditional approval and will cite the reference in the County's Subdivision Regulations and LGC.

ACTION

We request Commissioners Court consideration for the approval of the Final Plat for Suncrest Phase 3 with the condition that the developer make the necessary technical edits, based on LGC 232.001 and 232.003.
