As you know, the expansion of Park Blvd in and around Wylie has begun in earnest. As the expansion will cause the road to cross Parker Rd, our city's east/west divider in that area, Wylie Fire and Rescue has requested that the existing Park Blvd addresses be changed to include "west" as a part of the address. This will allow for continuity for emergency response and postal deliveries.

The City of Wylie is making the changes for addresses within the city, however some of the affected properties are outside of city limits. As Wylie provides emergency services for this area, both inside and outside city limits, the city is respectfully asking the Commissioners Court to approve the proposed address changes.

The properties affected, between Country Club Rd and Ballard Ave, total less than 12 and several are undeveloped at this time, so the impact is minimal. We apologize for any inconvenience this may cause. Should you have any questions, please feel free to contact me at the number listed below.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Haskins', is written over a small version of the City of Wylie logo.
