Subject: Collin County Regional Trails Master Plan Update-Public Hearing

On August 12, 2024, CO #2024-755-08-12, the Commissioners Court approved a contract for Halff Associates Inc, to prepare an update to the Collin County Regional Trails Master Plan. The last update was completed in 2012. This recent update is a culmination of over a year of data collection, meetings and workshops with county citizens, local municipalities, other governmental agencies and the Parks Foundation Advisory Board. The Parks Foundation Advisory Board voted to endorse the plan as submitted at their last meeting on October 9, 2025.

As part of the process, we would like to have a Public Hearing to receive comments and input prior to finalizing and adopting this plan. If no changes are required, Commissioners Court's approval of the plan as presented is requested.

Representatives from Halff Associates will present an overview of the planning process and methodologies used, as well as answer any questions you might have regarding the plan itself.
