Re: Change Order # 1 Project 2024-282 Generator Fuel System

Public Works requests your consideration and approval for change order # 1 in the amount of \$26,969.10 to add catwalks to the scope of work for the Justice Center Fuel Project. The catwalks are a necessity for County staff and contractors to access the top of the tank for fuel readings and equipment repairs.

Should you require additional information, please contact me and I will respond accordingly.
