Dear Collin County Resident / Postmaster:

The original location of road access to your property has been rebuilt as an unnamed alley in the Hillside Village Phase 1B development. The Collin County Rural Addressing Office is proposing to change your 9-1-1 address to the best current access location.

This effort in coordination with the City of Celina, the Celina Fire Department, the Collin County Sheriff's Office, and the Celina Post Office is intended to facilitate both 9-1-1 emergency response and mail delivery.

According to our records, your property on Abstract 167 Collin County School Land #14 Survey, Sheet 1, Tract 20 was originally addressed as 1414 KC Robinson Ln. See maps 15C4 & 15C1 enclosed.

The Rural Addressing Office will request address updates on the Collin County Commissioners Court agenda for December 8, 2025 (the scheduled court date is subject to change – for the latest agenda notice, go to www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp).

This address correction will be effective immediately after the Commissioners Court approval – you will receive an address change letter confirming the following correction. **Do NOT** begin making any changes now.

Your corrected 9-1-1 address will be: **909 OLD GLENDENNING RD
CELINA, TX 75009**

After approval the telephone company, the Collin Central Appraisal District, your emergency service dispatcher, and your post office will also be notified of the change in the 9-1-1 database. Mail to the old address will continue to be delivered for one year.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier.

If you have any questions concerning this address, please call the GIS / 9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
