Adding New Products to the Contract

Additional products or services of the same general category that are not already on the contract may be added by submitting an Open Market Request.

Delivery Delays by Contractor

If delay is foreseen, Contractor shall give written notice to the Customer and must keep Customer advised at all times of status of order. Default in performance assessment is cause for contract cancellation and/or debarment or removal of the contractor, as applicable, from the State's Centralized Master Bidder List.

**Compliant
Products by
Contractor**

Delivery does not occur until the Contractor delivers products, materials or services in full compliance with the specifications to Customer's F.O.B. destination. Customer reserves the right to require new delivery or a refund in the event that materials or products not meeting specifications are discovered after delivery.

**Purchase
Order
Cancellations**

The Customer may request that a Contractor cancel a specific line item or an entire purchase order. There shall be no fees charged for cancellation.

Restocking Fee

The Customer may request that a Contractor accept return of products already delivered. If the return is required through no fault of the Contractor, t

Substitutions

During the Contract term, the Contractor shall not substitute a product or brand unless the Contractor has obtained prior written approval from the CF

Contract Performance

The Statewide Procurement Division Contract Management Office (SCMO), a division of the Comptroller of Public Accounts (CPA), administers a vendor performance tracking system for all purchases of \$25,000 or more from contracts administered by CPA, or any other purchase of \$25,000 or more made through delegated authority granted by CPA. Vendor Performance shall be reported through the CPA VENDOR PERFORMANCE TRACKING SYSTEM (<https://www.comptroller.texas.gov/purchasing>). The purpose of the Vendor Performance Tracking System is to:

- Identify vendors that have exceptional performance
- Aid purchasers in making a best value determination based on vendor past performance
- Protect the state from vendors with unethical business practices
- Track vendor performance for delegated and exempt purchases
