

LABORATORY SERVICES EXTENSION AGREEMENT

This Laboratory Services Extension Agreement (the “Extension”) is entered into by and between **Clinical Pathology Laboratories, Inc.** (“CPL”) with principal offices at 9200 Wall Street, Austin, TX 78754, and **Collin County Purchasing** (“County”), with its offices at 2300 Bloomdale Rd, Ste 3160, McKinney, TX 75071. CPL and County may be individually referred to as a “Party” and collectively as the “Parties.” The effective date of the Agreement is October 4, 2025 (“Effective Date”).

County previously awarded CPL a fixed price contract for laboratory services (*Lab Services (Contract No. 2021-203)*) (the “Contract”); and

The Contract is currently in effect through and including October 3, 2025; and

The parties, by this Extension, desire to extend the Contract as reflected below.

In consideration of the covenants and agreements made herein and the mutual benefits occasioned by the terms of the Extension, the presence of which are mutually acknowledged and confessed, the parties each agree as follows:

1. **Term.** Commencing on the Effective Date of this Extension, the Contract shall automatically renew for additional one (1) month periods unless: (a) Collin County awards a new lab services contract (to CPL or any other party), in which case the Contract shall terminate as of the effective date of the new lab services contract; or (b) Collin County exercises its right and option to terminate the Contract upon thirty (30) days written notice.
2. **Effect of Amendment.** All other terms, conditions and pricing contained in the Contract (including and without limitation any previous amendments, change orders, or extensions) shall remain in full force and effect without any change or modification whatsoever, except in the event of any conflict between this Extension and the Contract, this Extension will control.

IN WITNESS WHEREOF, the parties have executed this Agreement, effective as of the day first written above, by and through their respective duly authorized officers, as indicated below:
