**RE:** Investment Report – 1<sup>st</sup> Quarter (FY2025)

---

On December 31, 2024, total invested operating, non-operating, and capital project funds of Collin County had a market value of \$1,535,708,604. As required by Collin County's Investment Policy and in accordance with Government Code 2256, all investments were made with the following objectives in order of priority. First, the safety of the principal and maintenance of adequate liquidity were given the highest consideration. Second, diversification was accomplished by investing county funds into six separate PFIA investment pools (LOGIC, Texas Class, Texas FIT, Texas RANGE, TexPool and TexSTAR), as well as by purchasing Certificates of Deposit, Fixed TERM Investments, Federal Agency Bonds, US Treasuries, Discount Notes, Municipal Bonds and other cash equivalent investments.

The weighted average maturity (WAM) for investments was 69 days, and weighted yield to maturity (YTM) was 4.580%, which compares to 70 WAM and 4.967% YTM for prior year 1st quarter.

During the FY2025 1st quarter, our overnight pools and cash equivalent investments experienced a seasonal increase from the prior quarter by \$11,326,907 due primarily to the timing of property tax receipts.

Certificates of Deposit (and Fixed TERM Investments) experienced an increase of \$2,013,977. Certificates of Deposit and Fixed TERM activity consisted of four (4) maturities, and five (5) purchases.

Bonds experienced a decrease of \$22,764,951. Bond investment activity during the quarter consisted of twelve (12) bonds called, five (5) bonds matured, and seven (7) bonds purchased.

The total interest earned for all investments during this quarter totaled \$16,284,143.

Attached is our Collin County Quarterly Investment Report which consists of a Statement of Investment Position, a Summary Statement by Group, Investment Details, and Schedules of Investments by Fund. The 1<sup>st</sup> Quarter Investment report was reviewed by the Collin County Investment Committee on April 21, 2025.
