Date: December 16, 2025
To: Commissioners Court
From: Luis Palma / Facilities Director
RE: IFB 2025-266 Building Automation System (BAS) Upgrades

I am requesting Commissioners Court approval to reject all bids received in response to IFB 2025-266, Building Automation System (BAS) Upgrades. All bidders were deemed non-responsive due to the failure to submit a hard-copy bid bond as required by the solicitation. The County will proceed with re-soliciting the project.
