## MEMO

**Date:** January 12, 2026  
**To:** County Judge and Commissioners  
**From:** Clarence Daugherty, P.E., Director of Engineering  
**Subject:** Abandonment of a Portion of CR 125

---

The Engineering Department requests approval to abandon a portion of CR 125 as part of an agreement during right-of-way negotiations for the Outer Loop. The portion of CR 125 to be abandoned is shown on the attached exhibit and referenced in the Order. Existing CR 125 has been extended north to connect with the newly opened segment of Outer Loop and would bypass the abandonment. The Outer Loop provides an improved driving facility to connect east/west drivers trying to reach FM 2478 or FM 543 (Weston Rd.). The abandonment does not affect the rights of utilities that were located in the right-of-way of the road; however, utilities in the area have been given a 30 day notice of abandonment as required by law.

**Action Recommended:** It is requested that the Commissioners Court approve the abandonment of a portion of CR 125.
