How Grant Funding Will Be Used and Benefits to County and Citizens

This proposal requests funding from the Bullet-Resistant Components for Law Enforcement Vehicles grant, FY2026. The request is to armor 15 patrol vehicles and one (1) tactical Sprinter van for the Collin County Sheriff's Office (CCSO). The request includes installing NIJ Level III ballistic door panels, bullet-resistant glass, reinforced vehicle protection, for deputies. Success will be measured by full implementation within 12 months, reduced officer injury exposure, and improved response capabilities based on evidence that armored vehicles mitigate risks during critical incidents. Grant period is March 1, 2026 through February 28, 2027.

Grant Review Committee Comments

County Auditor Comments

Grant award of State funds in the amount of \$167,150 with no county match required. Grant period is March 1, 2026 through February 28, 2027.

Budget and Finance (BFO) Comments

State funding in the amount of \$167,150 is being awarded. No county match is required. Discussion and decision needed, to decide what will be done with wrecked or replaced vehicles. Will the county continue to purchase these items after the term of the grant? Budget increase may be needed in the future if the county decides to continue the use of the equipment.
